Ooh ooh ooh
Ooh ooh ooh

Can you feel me
When I think about you?
With every breath I take
Every minute
No matter what I do

My world is an empty place
Like I've been wandering the desert
For a thousand days (oh)
Don't know if it's a mirage
But I always see your face, baby

[Chorus:]
I'm missing you so much
Can't help it, I'm in love
A day without you is like a year without rain
I need you by my side
Don't know how I'll survive
A day without you is like a year without rain (oh, whoa)
Whoa, oh, whoa

The stars are burning
I hear your voice in my mind (voice in my mind)
Can't you hear me calling?
My heart is yearning
Like the ocean that's running dry
Catch me, I'm falling

It's like the ground is crumbling underneath my feet
Won't you save me?
There's gonna be a monsoon when you get back to me, oh, baby

[Chorus]

So let this drought come to an end
And make this desert flower again
I'm so glad you found me
Stick around me,
Baby baby baby oooh

It's a world of wonder with you in my life
So hurry, baby, don't waste no more time
I need you here, I can't explain
But a day without you is like a year without rain (oh, whoa)

[Chorus]

Ooh ooh ooh
Ooh ooh ooh
