I'll be loving you!

It's hard to explain, so why don't you make me,
I don't want to play games your fantasy shakes me.
I'm feeling the same so why don't you take me,
just look at my body, my lips are so tasty.

I'll be loving you, I'll be loving you, it's automatic, come on and get it,
if you want it too, it can be true, I'm crazy for you, agapi mou.

My passion is fire, I'm burning for you, baby, baby,
I'm feeling the desire, can you feel it too, lady, lady.
Can you release the freak in me? I'll love you till infinity.

Kosta come closer, ride my rollercoaster,
