[Mohombi:]

Uuh, mamachula

Mamachula

Balans!

Uuh, mamachula

Mamachula

Balans!

[Alexandra Stan:]

Oh, tonight is excitement

Ultraviolet, feel the beat of my heart

So flirtatious, I'm anxious

Show me baby, work me like I'm your job

Put your body on my body, put your hand in mine

When you're ready, say you're ready

You can get it tonight

Everybody in the party wanna do it now

Hey now, hey now!

Let's play!

Oh, follow the leader

Sexy, sexy, bam-ballerina

Oh, balans, can you?

Oh, balans, baby

Oh, work for me harder

Oh, sexy sexy, dirty La bamba

Oh, balans, can you?

Oh, balans

[Mohombi:]

Uuh, mamachula

Mamachula

Balans!

Uuh, mamachula

Mamachula

Balans!

[Alexandra Stan:]

Take me higher, your highness

Don't be shy, just give me, give me good love

Baby, light the fire, uuh, explosive

And you know it, every time that we touch

Put your body on my body, put your hand in mine  
When you're ready, say you're ready  
You can get it tonight  
Everybody in the party wanna do it now  
Hey now, hey now!  
Let's play!
