I know it gets dark sometimes  
But you just gotta open your eyes  
Everyone knows what to do  
But you don't seem to have a clue

Just stay with me here  
The clouds will all clear someday  
These things take time  
It'll all realign baby, baby

[Chorus:]  
You'll be alright  
Baby can't you see what you mean to me  
You'll be just fine  
Baby can't you see what you mean to me

I see the light in you  
You just gotta let it shine through  
It's alright to feel this way  
Everyone's got bad days

Just stay with me here  
The clouds will all clear someday  
These things take time  
It'll all realign baby, baby

[Chorus:]  
You'll be alright  
Baby can't you see what you mean to me  
You'll be just fine  
Baby can't you see what you mean to me

What you mean to me (x2)  
you mean to me  
What you mean to me (x2)  
you mean to me, mean to me

[Chorus: x2]  
You'll be alright  
Baby can't you see what you mean to me  
You'll be just fine  
Baby can't you see what you mean to me
