I see the moon, I see the moon, I see the moon Oh, when you're looking at the sun Not a fool, I'm not a fool, not a fool No you're not fooling anyone

Oh, but when you're gone When you're gone, when you're gone Oh baby, all the lights go out Thinking, oh that, baby, I was wrong I was wrong, I was wrong Come back to me, baby, we can work this out

Oh baby, come on, let me get to know you Just another chance so that I can show That I won't let you down and run No, I won't let you down and run Cause I could be the one I could be the one I could be the one I could be the one

I see in blue, I see in blue, I see in blue Oh, when you see everything in red There is nothing that I wouldn't do for you Do for you, do for you Oh, cause you got inside my head

Oh, but when you're gone When you're gone, when you're gone Oh baby, all the lights go out Thinking, oh that, baby, I was wrong I was wrong, I was wrong Come back to me, baby, we can work this out

Oh baby, come on, let me get to know you Just another chance so that I can show That I won't let you down and run No, I won't let you down and run Cause I could be the one I could be the one I could be the one Be the one, be the one, be the one Be the one, be the one, be the one I could be the one Be the one, be the one, be the one Be the one, be the one, be the one I could be the one Be the one, be the one, be the one Be the one, be the one, be the one I could be the one Be the one, be the one, be the one Be the one, be the one, be the one Be the one, be the one, be the one Will you be mine?

Oh baby, come on, let me get to know you Just another chance so that I can show That I won't let you down and run No, I won't let you down and run Cause I could be the one I could be the one I could be the one
