Imagine the night with me by your side,
imagine the day I`m not far away.
Like a sun in the day, love will be the same,
like a bird in the sky, my love will fly, I will fly.

[Ref. x2]

I can be your girl, i can rock your world,
is this love that last forever?
Never let you go, cause I love you so,
baby, you`re my soul.

Are you here alone, let me take your home,
let`s make me clear, I want you, my dear.
You are all I desire, you set my heart on fire,
you meke me alive, you make me wild, I`m so wild.

[Ref. x2]

I can be your girl, i can rock your world,
is this love that last forever?
Never let you go, cause I love you so,
baby, you`re my soul.

I know I`m not the perfect girl,
but tell me is there in this world,
a girl with heard that loves you so,
loves you so.

[Ref. x2]

I can be your girl, i can rock your world,
is this love that last forever?
Never let you go, cause I love you so,
baby, you`re my soul.
