[Verse]

No matter where you are, lighters up  
We're gonna start a riot tonight, tonight, tonight  
Put your hands up to the sky  
Flames so red like bludfire, fire  
Ooooh

[Chorus]

Burn it up, burn it up, like a bludfire  
Light it up, light it up, like a bludfire  
Burn it up, burn it up, like a bludfire  
Blud, blud, blud, bludfire  
Raaaa  
Bludfire  
Raaaa  
Bludfire

[Verse]

No matter where you are, lighters up  
We're gonna start a riot tonight, tonight, tonight  
Put your hands up to the sky  
Flames so red like bludfire, fire

[Bridge]

Can you hear the noise around  
It's like a rave oh tonight's all bludfire  
Can you hear the noise out there  
It's like a rave we burn it down like bludfire (yeah eh eh, raaaa)  
Can you hear the noise around  
We gonna rave oh tonight's all bludfire  
Can you hear the noise out there  
It's like a rave we light it up like bludfire
