[Chorus:]

I wish i was born .. na na ... in California
I wish i was born .. na na ... in California
Your body girl .. damn .. is hot like California
Like California sun

Don't wanna wait
No no i don't wanna wait
So lay down down on me
I'll let you play with my body
I wanna feel you feel you right now
Kiss you all over and over you know
You're my fantasy ... fantasy .. baby let me love you
let me love you

[Chorus:]

I wish i was born .. na na ... in California
I wish i was born .. na na ... in California
Your body girl .. damn .. is hot like California
Like California sun

I'm goin back to Cali goin goin back to cali
I need a vaca I got my linen and my balleys
fresh head to toe beach house up in the valley
Bout to tear th club up vip u in the alley
Waiting just to get in me I'm just living
All these pretty woman by tonight I'll be be swimming in em
Yes I need her vision is a blur
She hotter then wearing a fur in the summer,word!
This just occurred I she lookin at me like she want me so i am hers
I'm about that action like a verb
I'm here for 24 hours baby please make it work!

[Chorus]
