Are you ready?

It's time for me to take it
I'm the boss right now
Not gonna fake it
Not when you go down
'Cause this is my game
And you better come to play

I used to hold my freak back
Now I'm letting go
I make my own choice
[Clean version:] Yeah I run this show
[Explicit version:] Bitch, I run this show
So leave the lights on
No, you can't make me behave

So you say I'm complicated
That I must be outta my mind
But you've had me underrated
Rated, rated

What's wrong with being, what's wrong with being
What's wrong with being confident?
What's wrong with being, what's wrong with being
What's wrong with being confident?

It's time to get the chains out
Is your tongue tied up?
'Cause this is my ground
And I'm dangerous
And you can get off
But it's all about me tonight

So you say I'm complicated
That I must be outta my mind
But you've had me underrated

What's wrong with being, what's wrong with being
What's wrong with being confident?
What's wrong with being, what's wrong with being
What's wrong with being confident?
What's wrong with being, what's wrong with being
What's wrong with being confident?
What's wrong with being, what's wrong with being
