Now I've been doing things on my own way
Baby you keep me waiting, you are so late
It's just how I feel I handle pain
in my Christian Louboutin heels

Danaadam...

I make my own deals (x2)
Buying all that Prada
Handling my own feels
I make my own deals (x2)
I make my I make my

You'r doing things, so on my way

I make my own deals (x2)
Buying all that Prada
Handling my own feels
I make my own deals (x2)
