Hey boy, I really love the way that you move
You wind me up up up on you
You know I'm down Diggy Diggy down
Diggy Diggy down
Down, Diggy Diggy down
Diggy Diggy down, down!

Slow down, eh what you hidin'
Am I invited
I wanna know wanna know wanna know wanna know
Headlights, you wanna night drive
I got my skin tight,
You wanna go, wanna go wanna go wanna go

No one has to know
It can just be you and me alone
Get yourself a ticket to the show
And I let you, let you!

(x2)
Hey boy, I really love the way that you move
You wind me up up up on you
You know I'm down Diggy Diggy down
Diggy Diggy down
Down, Diggy Diggy down
Down, Diggy Diggy down

Closer, I wanna know ya
You be my soldier,
You wanna try, wanna try wanna try wanna try
Lights out, we gotta slow down
You wanna now how,
We come alive, come alive come alive come alive

No one has to know
It can just be you and me alone
Get yourself a ticket to the show
And I let you, let you!

(x2)

Hey boy, I really love the way that you move

You wind me up up up on you

You know I'm down Diggy Diggy down

Diggy Diggy down

Down, Diggy Diggy down

Down, Diggy Diggy down
