And another one bites the dust  
Oh why can I not conquer love  
And I might have thought that we were one  
Wanted to fight this war without weapons

And I wanted it, I wanted it bad  
But there were so many red flags  
Now another one bites the dust  
Yeah let's be clear, I'll trust no one

[Pre-Chorus]  
You did not break me  
I'm still fighting for peace

[Chorus]  
I've got thick skin and an elastic heart  
But your blade it might be too sharp  
I'm like a rubberband until you pull too hard  
I may snap and I move fast  
But you won't see me fall apart  
'Cos I've got an elastic heart

And I will stay up through the night  
Let's be clear, won't close my eyes  
And I know that I can survive  
I'll walk through fire to save my life

And I want it, I want my life so bad  
I'm doing everything I can  
Then another one bites the dust  
It's hard to lose a chosen one

[Pre-Chorus]  
You did not break me  
I'm still fighting for peace

[Chorus]  
I've got thick skin and an elastic heart  
But your blade it might be too sharp  
I'm like a rubberband until you pull too hard  
I may snap and I move fast  
But you won't see me fall apart  
'Cos I've got an elastic heart
