Oh, Lord, have mercy on me
I don't know what I'm doing
Hope I will be just fine
If I let my feelings out
For real, I had a good time
Just had enough for your mind
Can I really let you go?
No, no, oh oh oh
I'm holding on for life
'Cause I can't escape, eh, eh
Escape from Love
And I don't wanna die
But I can't escape, eh, eh
Escape from Love
Escape from Love

If finding love is what is
We want to trust but with no risk
But I find it hard, baby, ooh
You know I had a good time
Just had enough for your mind
Can I really let you go?
Really let you go, go?
I'm holding on for life
'Cause I can't escape, eh, eh
Escape from Love
And I don't wanna die
But I can't escape, eh, eh
Escape from Love
Escape from Love
