Here I go  
Here I go  
Feel better now  
Feel better now

Here I go  
Here I go  
It's better now  
Feel better now

Do you remember when we fell under  
Did you expect me to reason with thunder  
I still remember when time was frozen  
What seemed forever was just a moment  
Hurry up, hurry up  
There's no more waiting  
We're still worth saving

Feel the light  
Shining in the dark of night  
Remember what we forgot  
I know it's a long shot  
But we're bringing it all back  
We're bringing it all back  
Feel the light  
Shining like the stars tonight  
Remember what we forgot  
I know it's a long shot  
But we're bringing it all back  
We're bringing it all back

Here I go  
Here I go  
Feel better now  
Feel better now

Here I go  
Here I go  
It's better now  
Feel better now

I still remember when things were broken  
But put together the cracks will closin'

Hurry up  
Hurry up  
There's no more waiting  
We're still worth saving

Feel the light  
Shining in the dark of night  
Remember what we forgot  
I know it's a longshot  
But we're bringing it all back  
We're bringing it all back

Feel the light  
Shining like the stars tonight  
Remember what we forgot  
I know it's a longshot  
But we're bringing it all back  
We're bringing it all back

You and I can have it all tonight  
So let's bring it back it to light  
Now we have another chance to fly  
Another chance to make it right

Feel the light  
Shining in the dark of night  
Remember what we forgot  
I know it's a long shot  
But we're bringing it all back  
We're bringing it all back

Feel the light  
Shining like the stars tonight  
Remember what we forgot  
I know it's a long shot

Feel the light  
Shining like the stars tonight  
Remember what we forgot  
I know it's a long shot  
But we're bringing it all back  
We're bringing it all back

Here we go  
Here we go  
Feel better now  
Feel better now

Here we go  
Here we go  
It's better now  
Feel better now
