Oh ah
Looking to my eyes, they can't lie
Ask me how I get you so high
Come away, make me say
Ay ay ay ay

Cuz I wanna teach ya how to get me alright
Hit me up if you're down for tonight
Change the game cuz we're looking so fine
Ay ay ay ay

My heart is pumping so fast, so load, so hard
I really need ya, right here right now, so I
My heart is pumping so fast, so load, so hard
I really need ya right here
You know it's...

[Chorus: x2]
Fire, every time with you so fire
Magic vibe highlife fire
Make me go loco loco fire
Oh boy ay ay ay ay

Fire...

Its so easy you dont even have to try
if you really wanna, so do I
Come away, make me say
Ay ay ay ay

Cuz I wanna teach ya how to get me alright
Hit me up if you're down for tonight
Play the game cuz we're looking so fine
Ay ay ay ay

My heart is pumping so fast, so load, so hard
I really need ya, right here right now, so I
My heart is pumping so fast, so load, so hard
I really need ya right here
You know it's...

[Chorus: x2]

Fire, every time with you so fire

Magic vibe highlife fire

Make me go loco loco fire

Oh boy ay ay ay ay
