I'm a flame You're a fire I'm the dark in need of light When we touch, you inspire Feel the change in me tonight So take me up, take me higher There's a world not far from here We can dance in desire Or we can burn in love tonight

Our hearts are like firestones And when they strike, we feel the love Sparks will fly, they ignite our bones But when they strike, we light up the world

Our hearts are like firestones And when they strike, we feel the love Sparks will fly, they ignite our bones But when they strike, we light up the world We light up the world

We light up the world Oooh oooh World Oooh oooh Firestone

I'm from X, you're from Y Perfect strangers in the night Here we are, come together To the world we'll testify

Our hearts are like firestones And when they strike, we feel the love Sparks will fly, they ignite our bones But when they strike, we light up the world

Our hearts are like firestones And when they strike, we feel the love Sparks will fly, they ignite our bones And when they strike, we light up the world We light up the world We light up the world Oooh oooh World Oooh oooh Firestone
