Jessie J - Flashlight

текста е наличен благодарение на Tekstove.bg

When tomorrow comes I'll be on my own Feeling frightened of The things that I don't know When tomorrow comes Tomorrow comes Tomorrow comes

And though the road is long I look up to the sky And in the dark I found, lost hope that I won't fly And I sing along, I sing along, and I sing along

I got all I need when I got you and I I look around me, and see a sweet life I'm stuck in the dark but you're my flashlight You're getting me, getting me, through the night Kick start my heart when you shine it in my eyes Can't lie, it's a sweet life Stuck in the dark but you're my flashlight You're getting me, getting me, through the night 'Cause you're my flashlight (flashlight) You're my flashlight (flashlight), you're my flashlight

Ooh

I see the shadows long beneath the mountain top I'm not afraid when the rain won't stop 'Cause you light the way You light the way, You light the way I got all I need when I got you and I I look around me, and see a sweet life I'm stuck in the dark but you're my flashlight You're getting me, getting me, through the night Kick start my heart when you shine it in my eyes Can't lie, it's a sweet life Stuck in the dark but you're my flashlight You're getting me, getting me, through the night (Light, light, light, you're my flashlight) Light, light, light, you're my flashlight Light, light, light, light, light, oh (Light light light you're my flashlight) You're my flash, oh

I got all I need when I got you and I I look around me, and see a sweet life I'm stuck in the dark but you're my flashlight You're getting me, getting me, through the night Kick start my heart when you shine it in my eyes Can't lie, it's a sweet life Stuck in the dark but you're my flashlight (You're my flashlight) You're getting me, getting me through the night 'Cause you're my flashlight 'Cause you're my flashlight You're my flashlight

Ooh oh oh

You're my flashlight Light, light You're my flashlight Light light ye-yeah

(Light light light You're my flashlight Light light)

You're my flashlight
