You hold me on the line
You never have the time to see me
How can I make you mine? Don't leave me
Gimme your time
Don't hold the line

Think I've had enough
I think I've had enough, you feel me
I want to make you see it clearly
Gimme your time
Don't hold the line

Wanna be the one for me?
Wanna be my ecstasy?
Let me be your everything
Gimme your love
Gimme your love

[Chorus: x2]
Show me how much you can give me
Show me where you can take me
Show me the reason you need me
Gimme your love
Gimme your love

I see it in your eyes
It's telling me: 'I want you near me'
But you just gotta safe us quickly
Gimme your time
Don't hold the line

Wanna be the one for me?
Wanna be my ecstasy?
Let me be your everything
Gimme your love
Gimme your love

[Chorus: x2]
Show me how much you can give me
Show me where you can take me
Show me the reason you need me
Gimme your love
Gimme your love

You wanna test me?
Well, do you love me?
Tell me if there is a 'we'?
Come on, baby, tell me

Wanna be the one for me?
Wanna my ecstasy?
Let me be your everything
Gimme your love
Gimme your love

[Chorus: x2]
