[Sean Paul:]

When you drop it low, and shake it girl
You a d bomb
Switch it up, switch it up
Them other youth me say them definitely wrong
So tell me baby, that I still your number one
Cause Sean-da-Paul him a d man fi get it done

Let's go

I call my girl (Hey)
Cause I got a problem (What?)
Only a curl (Mhmm)
Is gonna solve it
Then I don't really care
Just get him out of my hair, yeah
Let's switch it up, get it off my shoulder
I've had enough, can't take it no longer
I'm over him I swear
I'm like yeah

Gotta get him out my hair
Gotta get him out my hair
Gotta get him out my hair
Gotta get him out my hair

Cause he was just a dick and I knew it
Got me going mad sitting in this chair
Like I don't care
Gotta get him out my hair
I tried everything but it's useless
He pushed me so far now I'm on the edge
Make him disappear
Go get him out my hair

Okay
Gonna bleach him out, peroxide on him
Hair on the floor like a memory of him
Now I feel brand new (That's right)
This chick is over you
We're going out, ain't got no worries
Drama now, now it just seems so funny
Put my hands up in the air
I'm like yeah

Gotta get him out my hair
Gotta get him out my hair
Gotta get him out my hair
Gotta get him out my hair

(My hair, yeah)

Cause he was just a dick and I knew it
Got me going mad sitting in this chair (Got me feeling like)
Like I don't care
Gotta get him off my hair
I tried everything but it's useless (Uh, uh)
He pushed me so far now I'm on the edge (Oh woah)
Make him disappear
Go get him out my hair

Wha you a deal wid girl
Lemme tell you something
You see me and you
A one thing me always a bring it back to.
Switch it up, switch it up
You know you can't leave it

[Sean Paul:]
Yow, yow
It terrible at the beginning when we started
Good chemistry between me and you girl we got it
I feed you game, and just to tame you was my target
That was my aim, just to be playing with your body
Thought that forever we could continue this party
And now you telling me that your love is departed
Right, I'm just saying you gone missing, you got heartache
How you gon' ask me bout your hair girl when I bought it.

Friend you need to get your phone
Erase that number
Don't call him back cause he don't deserve it
(Oh really?)
And when you see him in the club
Just flip your hair, don't show him any love
(Really?)
Cause you've had enough

Oh woah woah oh
Cause he was just a dick and I knew it (Ooh yea)
Got me going mad sitting in this chair (Oh woah)
Like I don't care
Gotta get him off my hair
I tried everything but it's useless
He pushed me so far now I'm on the edge
Make him disappear oh oh
Go get him out my hair

Hair
Go get him out my hair
He's in my hair
Gonna get him out
Gonna get him out
Go get him out of my hair
(Get him out your hair, yeah, woah)
