Remember those walls I built?  
Well, baby they're tumbling down  
And they didn't even put up a fight  
They didn't even make a sound  
I found a way to let you in  
But, I never really had a doubt  
Standing in the light of your halo  
I got my angel now

It's like I've been awakened  
Every rule I had you breakin'  
It's the risk that I'm taking  
I ain't never gonna shut you out!

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby, I can see your halo  
You know you're my saving grace  
You're everything I need and more  
It's written all over your face  
Baby, I can feel your halo  
Pray it won't fade away

I can feel your halo, halo, halo  
I can see your halo, halo, halo  
I can feel your halo, halo, halo  
I can see your halo, halo...  
Halo, ooh ooh...

Hit me like a ray of sun  
Burning through my darkest night  
You're the only one that I want  
Think I'm addicted to your light  
I swore I'd never fall again  
But this don't even feel like falling  
Gravity can't forget to pull me back to the ground again

And it's like I've been awakened  
Every rule I had you breakin'  
It's the risk that I'm taking  
I'm never gonna shut you out!

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby, I can see your halo  
You know you're my saving grace  
You're everything I need and more  
It's written all over your face  
Baby, I can feel your halo  
Pray it won't fade away

I can feel your halo, halo, halo  
I can see your halo, halo, halo  
I can feel your halo, halo, halo  
I can see your halo, halo...  
Halo, ooh ooh...  
I can feel your halo, halo, halo  
I can see your halo, halo, halo  
I can feel your halo, halo, halo  
I can see your halo, halo...  
Halo, ooh ooh...  
Halo, ooh ooh...  
Halo, ooh ooh, oh...

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby, I can see your halo  
You know you're my saving grace  
You're everything I need and more  
It's written all over your face  
Baby, I can feel your halo  
Pray it won't fade away

I can feel your halo, halo, halo  
I can see your halo, halo, halo  
I can feel your halo, halo, halo  
I can see your halo, halo...  
Halo, ooh oh...  
I can feel your halo, halo, halo  
I can see your halo, halo, halo  
I can feel your halo, halo, halo  
I can see your halo, halo...  
Halo, ooh oh...
