Boy, look at you, looking at me I know you know how I feel Loving you is hard, being here is harder You take the wheel I don't wanna do this anymore It's so surreal, I can't survive If this is all that's real

All I wanna do is get high by the beach Get high by the beach, get high All I wanna do is get by by the beach Get by baby, baby, bye, bye The truth is I never Bought into your bullshit When you would pay tribute to me Cause I know that All I wanted to do is get high by the beach Get high baby, baby, bye, bye

Boy look at you, looking at me I know you don't understand You could be a bad motherfucker But that don't make you a man Now you're just another one of my problems Because you got out of hand We won't survive We're sinking into the sand

All I wanna do is get high by the beach Get high by the beach, get high All I wanna do is get by by the beach Get by baby, baby, bye, bye The truth is I never Bought into your bullshit When you would pay tribute to me Cause I know that All I wanted to do is get high by the beach Get high baby, baby, bye, bye Lights, camera, acción I'll do it on my own Don't need your money, money To get me what I want Lights camera acción I'll do it on my own Don't need your money, money To get me what I want

All I wanna do is get high by the beach Get high by the beach, get high All I wanna do is get by by the beach Get by baby, baby, bye, bye The truth is I never Bought into your bullshit When you would pay tribute to me Cause I know that All I wanted to do is get high by the beach Get high baby, baby, bye, bye

Everyone can start again Not through love but through revenge Through the fire, we're born again Peace by vengeance Brings the end
