He calls me the devil
I make him wanna sin
Every time I knock, he can't help but let me in
Must be homesick for the real
I'm the realest it gets
You probably still adore me
With my hands around your neck

Can you feel the warmth? Yeah As my kiss goes down you like some sweet alcohol Where I'm coming from, yeah It's the darker side of me that makes you feel so numb

Cause we're hot like hell Does it burn when I'm not there? When you're by yourself Am I the answer to your prayers I'm giving you that pleasure heaven And I'll give it to you

Hotter than hell Hotter than hell

You're my manna from heaven We all gotta get fed Can let me know I'm wanted Can let me in your head I'm not here to make you kneel But it's praise that I'll get You ain't gonna walk free boy Not finished with you yet, no

Can you feel the warmth? Yeah
As my kiss goes down you like some sweet alcohol
Where I'm coming from, yeah
It's the darker side of me that makes you feel so numb

Cause we're hot like hell
Does it burn when I'm not there?
When you're by yourself
Am I the answer to your prayers
I'm giving you the pleasure of heaven
And I'll give it to you

Hotter than hell Hotter than hell

When we go down right there
You make me feel right there
When you lay me down right there
We just make it right there
Cause you're looking so right there
Baby you should touch me right there
You can take me right there
We can make it

Hot like hell
Does it burn when I'm not there?
When you're by yourself
Am I the answer to your prayers
I'm giving you that pleasure heaven
And I'll give it to you

Hotter than hell Hotter than hell Hotter than hell Hotter than hell And I'll give it to you Hotter than hell
