O-o-o-h Bali, u know I'm lovin' you with all of my heart,
o-o-o-h Bali, u know I'm lovin' you with all of my soul.

When I arrived in Bali for the first time,
then I felt so fine, I felt like I was floating.
I was free and cherished, with joy my heart replenished,
just like a little happy kid again.

Everybody's full of joy, everybody smiled at me,
i was feelin' like they are angels flying happy and free.

O-o-o-h Bali, u know I'm lovin' you with all of my heart,
o-o-o-h Bali, u know I'm lovin' you with all of my soul.
O-o-o-h, Bali, like a little kid I'm happy again,
you are paradise on Earth and the island of the Gods forever.

My heart is lit, inspired by the sunlight,
it's hanging on the sun, it never felt so right.
And beneath the moonlight, the silence purifies me,
and I want to fly up to sky.

Everybody's full of joy, everybody smiled at me,
i was feelin' like they are angels flying happy and free.

O-o-o-h Bali, mencintaimu dengan sepenuh hatiku,
o-o-o-h Bali, mencintaimu dengan seluruh jiwaku.
O-o-o-h Bali, engkau membuatku seperti anak kecil,
kau adalah surga di bumi, kau adalah pulau dewata.
