They say that I have to be this and that, that I have to fulfill exectations but  
I am me, what you see it's what you get, don't belive in their shit, all of them are wack.  
Gonna watch my back, ready to attack, please don't blame me for all of the things you lack,  
why're you taking insecurities out on me? Why're you f\*\*king with somebody that you can't be?

All the fake and jealous, envions people I know who you are,  
I know what you do, you think you know it, all you think you've seen it all.  
All the narrow-minded, two-faced, I know who they are,  
I know what they do, I know how they think and I.

Don't wanna belong to them, don't wanna be like the rest,  
don't wanna lose my beliefs, don't wanna change who I am.  
Don't wanna hear what they've said, don't wanna live like I'm dead,  
don't wanna be so afraid, I just wanna be who I am instead.

They say that I have to behave one way, that I have to listen to everything they say,  
cause they all think that I'm some easy lay with no brains, just bling-bling, blah-blah-blah.  
Every single day, gonna get my way, cause I'm here to stay, please don't blame me fot the games you  
play,  
why're you taking insecurities out on me? Why're you f\*\*king with somebody that you can't be?

Don't wanna give into lies, don't wanna see through the rise,  
don't wanna be thinking twice, don't wanna make compromises.  
Don't wanna hear what they've said, don't wanna live like I'm dead,  
don't wanna be so afraid, I just wanna be who I am instead.

Готов за атака, кой пак пристига? Хора, все едно че съм играл в Шампионска лига,  
я стига мига, не ми пука, дори по мой адрес да се пусне жълта клюка.  
Wow, време е за шоу, по протокол съм извън контрол,  
трън в очите на твоите хора, обаче знаеш ли, не съм сам в отбора.  
Руши строши оковите, от една порода сме, такива като нас няма никъде,  
дали сега или кога? Кажки къде? Да потанцуваме.  
Никога не съм бил в стандарта, никога не съм бил бита карта,  
ти си на старта, а аз финаширам, подозирам че те блокирам, а?

Don't wanna belong to them, don't wanna be like the rest,  
don't wanna lose my beliefs, don't wanna change who I am.  
Don't wanna hear what they've said, don't wanna live like I'm dead,  
don't wanna be so afraid, I just wanna be who I am instead.

Don't wanna give into lies, don't wanna see through the rise,  
don't wanna be thinking twice, don't wanna make compromises.  
Don't wanna hear what they've said, don't wanna live like I'm dead,  
don't wanna be so afraid, I just wanna be who I am instead.

А, Еделина, Устата, Руши, т'ва беше от нас,  
а, ха-ха, точно така, дочуване.
