текста е наличен благодарение на Tekstove.bg

Coming closer once you tell me,
is this love?(x3)
You are the only thing I see when I close my eyes,
is this love?(x3)
You are the reason that I breathe,
is this love?(x2)

Since I met you my life has a new meaning,
is this love?(x2)
When you are not here I feel so incomplete,
is this love?(x12)

I have been searching all my life for a girl like you,
just like you.(x2)
I have never known what it means to be in love,
is this love?(x12)
