

Olly Murs - Kiss Me

текста е наличен благодарение на Tekstove.bg

I want to love you, give you that loving baby
Take it high with you, do what you like baby
I got to find out, how you can be my lady
I got to do things, do things to drive you crazy

We got one chance and I want it badly
Do you feel like it's going the right way?
Do you know what you're doing inside me?
If you want that then bring that fire baby
Yeah you got me, I'm dreaming about it
If you like that then we can go round it
If you need that then tell me right now
Baby cause I wanna know

If this is the last night
Baby let's do this right, kiss me like you mean it
If this is the last night
Baby let's do this right, kiss me like you mean it

I want to show you, show you that good life baby
You got my heartbeat, beating inside me lately
I'm watching your lips move, can't hear a word you're saying
Cause I want to do things, do things that drive you crazy

We got one chance and I want it badly
Do you feel like it's going the right way?
Do you know what you're doing inside me?
If you want that then bring that fire baby
Yeah you got me, I'm dreaming about it
If you like that then we can go round it
If you need that then tell me right now
Baby cause I wanna know

If this is the last night
Baby let's do this right, kiss me like you mean it
If this is the last night
Baby let's do this right, kiss me like you mean it

Oh kiss me, oh hold me
Let's go to a place, we'll never be lonely
Oh I need you, I need you to hold me
Oh baby, kiss me like you mean it

If this is the last night
Baby let's do this right, kiss me like you mean it
If this is the last night
Baby let's do this right, kiss me like you mean it
Kiss me like you mean it, kiss me like you mean it
If this is the last night
Baby let's do this right, kiss me like you mean it
