Can't nobody love you like me
Can't nobody hug you like me

Like me, like me, like me, like me
Can't nobody love you like me
Can't nobody hug you like me
Can't nobody touch you like me
Like me, like me, like me, like me

(Verse 1 – Christina Milian)

Baby I know I've been all on your mind
Can't help it gets so hard every time
I put it on you, I'll have you wishing you mine
The truth is the truth, real love is so hard to find

(Bridge – Christina Milian)

You ain't never gon do better
You ain't never find no lover
In your arms, in your arms
Your arms, your arms, your arms, your arms
Give me your heart, I'll keep it
Room for all them secrets
I'll go hard, I'll go hard
Go hard, go hard, go hard, go hard

(Repeat Chorus)

(Verse 2 – Christina Milian)

When we're alone I feel so alone
You get so high because it's me by your side
Boy you the truth but I'm all on your mind
And there ain't no doubt that you'd pick me every time
