Love me.. love in Dubai...

All the ways to the top.
You got the perfect body.
Keep it going don't stop.
I could use a ride with you.

Gonna runs all right, this party.
Let's get this started.
Turn it up, turn it up.
'Cause I know, you want me to.

Habibi want me, want me.
You don't have to live a lie.
Would you gonna love me, love me.
You gonna mess with my mind.

Habibi want me, want me.
I can see, it's in your eyes.
Our moment that will never forget.
This love in Dubai.

All eyes on you.
They just jealous you know..
Don't tell them, don't tell them.
We can just keep it down low.

Anywhere we rock this party.
We get it start it.
Turn it up, turn it up..
'Cause I know you want it too.

Habibi want me, want me.
You don't have to live a lie.
Would you gonna love me, love me.
You gonna mess with my mind.

Habibi want me, want me.
I can see, it's in your eyes.
Our moment that will never forget.
This love in Dubai.

Just me and you a secret rendez vous
Nobody has to knooow.

Habibi want me, want me.
You don't have to live a lie.
Would you gonna love me, love me.
You gonna mess with my mind.
Habibi want me, want me.
I can see, it's in your eyes.
Our moment that will never forget.
This love in Dubai. (x2)
