[Intro - Rihanna:]

Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie

[Verse - Eminem:]

I can't tell you what it really is  
I can only tell you what it feels like  
And right now there's a steel knife in my windpipe  
I can't breathe but I still fight while I can fight  
As long as the wrong feels right it's like I'm in flight  
High off her love, drunk from her hate,  
It's like I'm huffing paint and I love her the more I suffer, I suffocate  
And right before I'm about to drown, she resuscitates me  
She fucking hates me and I love it.  
"Wait! Where you going?"  
"I'm leaving you!"  
"No you ain't. Come back."  
We're running right back.  
Here we go again  
It's so insane cause when it's going good, it's going great  
I'm Superman with the wind at his back, she's Lois Lane  
But when it's bad it's awful, I feel so ashamed I snapped  
Who's that dude?  
"I don't even know his name."  
I laid hands on her, I'll never stoop so low again  
I guess I don't know my own strength

[Chorus - Rihanna:]

Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie

[Verse - Eminem:]

You ever love somebody so much you can barely breathe when you're with 'em  
You meet and neither one of you even know what hit 'em  
Got that warm fuzzy feeling  
Yeah, them chills you used to get 'em  
Now you're getting fucking sick of looking at 'em  
You swore you'd never hit 'em; never do nothing to hurt 'em  
Now you're in each other's face spewing venom in your words when you spit them  
You push, pull each other's hair, scratch, claw, bit 'em  
Throw 'em down, pin 'em  
So lost in the moments when you're in them  
It's the rage that took over,  
It controls you both  
So they say you're best to go your separate ways  
Guess that they don't know you 'cause today that was yesterday  
Yesterday is over, it's a different day  
Sound like broken records playing over but you promised her  
Next time you show restraint  
You don't get another chance  
Life is no Nintendo game  
But you lied again  
Now you get to watch her leave out the window  
Guess that's why they call it window pane

[Chorus - Rihanna:]

Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie

[Verse - Eminem:]

Now I know we said things, did things that we didn't mean  
And we fall back into the same patterns, same routine  
But your temper's just as bad as mine is  
You're the same as me  
When it comes to love you're just as blinded  
Baby, please come back  
It wasn't you, baby it was me  
Maybe our relationship isn't as crazy as it seems  
Maybe that's what happens when a tornado meets a volcano  
All I know is I love you too much to walk away though  
Come inside, pick up your bags off the sidewalk  
Don't you hear sincerity in my voice when I talk  
Told you this is my fault  
Look me in the eyeball  
Next time I'm pissed, I'll aim my fist at the drywall  
Next time? There won't be no next time!  
I apologize even though I know its lies  
I'm tired of the games I just want her back  
I know I'm a liar  
If she ever tries to fucking leave again  
Im'a tie her to the bed and set this house on fire  
I'm just gonna

[Outro - Rihanna:]

Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie
