[Intro - Rihanna:]

Just gonna stand there and watch me burn But that's alright because I like the way it hurts Just gonna stand there and hear me cry But that's alright because I love the way you lie I love the way you lie

[Verse - Eminem:]

I can't tell you what it really is

I can only tell you what it feels like

And right now there's a steel knife in my windpipe

I can't breathe but I still fight while I can fight

As long as the wrong feels right it's like I'm in flight

High off her love, drunk from her hate,

It's like I'm huffing paint and I love her the more I suffer, I suffocate

And right before I'm about to drown, she resuscitates me

She fucking hates me and I love it.

"Wait! Where you going?"

"I'm leaving you!"

"No you ain't. Come back."

We're running right back.

Here we go again

It's so insane cause when it's going good, it's going great

I'm Superman with the wind at his back, she's Lois Lane

But when it's bad it's awful, I feel so ashamed I snapped

Who's that dude?

"I don't even know his name."

I laid hands on her, I'll never stoop so low again

I guess I don't know my own strength

[Chorus - Rihanna:]

Just gonna stand there and watch me burn But that's alright because I like the way it hurts Just gonna stand there and hear me cry But that's alright because I love the way you lie I love the way you lie

I love the way you lie

[Verse - Eminem:]

You ever love somebody so much you can barely breathe when you're with 'em

You meet and neither one of you even know what hit 'em

Got that warm fuzzy feeling

Yeah, them chills you used to get 'em

Now you're getting fucking sick of looking at 'em

You swore you'd never hit 'em; never do nothing to hurt 'em

Now you're in each other's face spewing venom in your words when you spit them

You push, pull each other's hair, scratch, claw, bit 'em

Throw 'em down, pin 'em

So lost in the moments when you're in them

It's the rage that took over,

It controls you both

So they say you're best to go your separate ways

Guess that they don't know you 'cause today that was yesterday

Yesterday is over, it's a different day

Sound like broken records playing over but you promised her

Next time you show restraint

You don't get another chance

Life is no Nintendo game

But you lied again

Now you get to watch her leave out the window

Guess that's why they call it window pane

[Chorus - Rihanna:]

Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
I love the way you lie

[Verse - Eminem:]

Now I know we said things, did things that we didn't mean And we fall back into the same patterns, same routine But your temper's just as bad as mine is You're the same as me When it comes to love you're just as blinded Baby, please come back It wasn't you, baby it was me Maybe our relationship isn't as crazy as it seems Maybe that's what happens when a tornado meets a volcano All I know is I love you too much to walk away though Come inside, pick up your bags off the sidewalk Don't you hear sincerity in my voice when I talk Told you this is my fault Look me in the eyeball Next time I'm pissed, I'll aim my fist at the drywall Next time? There won't be no next time! I apologize even though I know its lies I'm tired of the games I just want her back I know I'm a liar If she ever tries to fucking leave again Im'a tie her to the bed and set this house on fire I'm just gonna

[Outro - Rihanna:]

Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
I love the way you lie
