## [Verse 1]

I was fine before I met you  
I was broken but fine  
I was lost and uncertain  
But my heart was still mine  
I was free before I met you  
I was broken but free  
All alone in the clear view, but now you are all I see

## [Pre-Chorus]

Hey, wait a minute  
No, you can't do this to me  
Wait a minute  
No, that's not fair  
Hey, wait a minute  
You're on me like jewelry  
I really like you, but I'm so scared

## [Chorus]

Why'd you have to go and make me like you?  
Yeah this is a feeling I'm not used to  
Why'd you have to go and make me like you?  
I'm so mad at you cause now you got me missing you  
Cause now you got me missing you

## [Verse 2]

Something I could get used to  
I could get used to this  
It's getting harder to leave it  
Your lips on my lips  
Oh, I can't believe it  
How good it could be  
Didn't wanna believe it, but now you are all I see

## [Pre-Chorus]

Hey, wait a minute  
No, you can't do this to me  
Wait a minute  
No, that's not fair  
Hey, wait a minute  
You're on me like jewelry  
I really like you, but I'm so scared

[Chorus]

Why'd you have to go and make me like you?  
Yeah this is a feeling I'm not used to  
Why'd you have to go and make me like you?  
I'm so mad at you cause now you got me missing you  
Why'd you have to go and make me like you?  
Yeah this is a feeling I'm not used to  
Why'd you have to go and make me like you?  
I'm so mad at you cause now you got me missing you

[Bridge]

Oh God, thank God that I found you  
Oh God, cause now you got me missing you  
Oh God, thank God that I found you  
I'm so mad at you cause now you got me missing you  
Thank God  
Thank God that I found you, oh  
Now you got me missing you  
Now you got me missing you

[Chorus]

Why'd you have to go and make me like you?  
Yeah this is a feeling I'm not used to  
Why'd you have to go and make me like you?  
I'm so mad at you cause now you got me missing you  
Why'd you have to go and make me like you?  
Yeah this is a feeling I'm not used to  
Why'd you have to go and make me like you?  
I'm so mad at you cause now you got me missing you

[Outro]

Oh God, thank God that I found you  
Oh God, cause now you got me missing you  
Oh God, thank God that I found you  
I'm so mad at you cause now you got me missing you
