Mamma mia ma ma

Mamma, don't you cry
Swear I'll be all right
Mamma, dry your eyes
Wherever I go
You'll always be whole

Though you need me every single night
Though you're always in my heart and mind
I can hear you sing your lullaby
Wherever I go
You'll always be whole

[Chorus: x2]
Mamma mia ma ma (x6)
Mamma
Mamma
Ma

Mamma, please be strong
Swear I won't be long
Even though I'm gone
Wherever I go
You'll always be whole

Though you worry every single night
Though you're always in my heart and mind
I can hear you sing your lullaby
Wherever I go
You'll always be whole

[Chorus: x3]
Mamma mia ma ma (x6)
Mamma
Mamma
Ma
