I didn't know who I was  
Until I found you... lonely soul...with no goal...  
Running through the Universe, you saw me...  
You recognized my face and you...  
Whispered my name

We are two broken hearts  
Falling in and out of...love  
Like a dance with each other!

Je ne peux pas vivre sans toi  
Mon cœur à besoin de toi,  
Je suis vraiment amoureuse  
Mon amour tu me rend heureuse!

And I don't know, I don't know  
If we come or if we go, or if we go...  
There's no time when I'm with you  
I just breathe and live my truth...dream with you!

We are two broken hearts  
Falling in and out of...love  
Like a dance with each other!

Je ne peux pas vivre sans toi  
Mon cœur à besoin de toi,  
Je suis vraiment amoureuse  
Mon amour tu me rend heureuse!
