Stay stay love  
I know what to do  
Roads get rough  
Not when I'm with you  
Everything got better  
Since I'm with you  
Yes, this is forever  
We'll never lose

Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stay by my side  
Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stuck in my mind

Na Na Na Na...  
Na Na Na...

Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stay by my side  
Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stuck in my mind

Na Na...

I can feel your love baby  
I can't get enough baby  
And it keeps on playing  
It's on repeat  
For you I've been praying  
I saved your seat

Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stay by my side  
Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stuck in my mind

Na Na Na Na...  
Na Na Na...

Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stay by my side  
Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stuck in my mind

Na Na...

When I wake up and in bed  
It's always stuck in my head

Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stay by my side  
Love is like na na na  
Like a song on my mind  
Makes me sing la la la  
Always stuck in my mind

Na Na Na Na...  
Na Na Na...
