

Selena Gomez, The Scene - Naturally

How you choose to express yourself
It's all your own and I can tell
It comes naturally, it comes naturally

You follow what you feel inside
It's intuitive, you don't have to try
It comes naturally, mmmm, it comes naturally

And it takes my breath away (away, away, away)
What you do so naturally (turally, turally, turally)

[Chorus:]
You are the thunder and I am the lightning
And I love the way you know who you are and to me it's exciting
When you know it's meant to be
Everything comes naturally, it comes naturally
When you're with me, baby
Everything comes naturally, it comes naturally
Ba-ba-baby

You have a way of moving me
A force of nature, your energy
It comes naturally (you know it does), it comes naturally
Mmmm, yeah

And it takes my breath away (away, away) every time
What you do so naturally

[Chorus]

When we collide sparks fly
When you look in my eyes
It takes my breath away

[Chorus]

Everything, baby, comes naturally
