How you choose to express yourself It's all your own and I can tell It comes naturally, it comes naturally

You follow what you feel inside It's intuitive, you don't have to try It comes naturally, mmmm, it comes naturally

And it takes my breath away (away, away, away) What you do so naturally (turally, turally, turally)

[Chorus:]

You are the thunder and I am the lightning
And I love the way you know who you are and to me it's exciting
When you know it's meant to be
Everything comes naturally, it comes naturally
When you're with me, baby
Everything comes naturally, it comes naturally
Ba-ba-baby

You have a way of moving me A force of nature, your energy It comes naturally (you know it does), it comes naturally Mmmm, yeah

And it takes my breath away (away, away) every time What you do so naturally

[Chorus]

When we collide sparks fly When you look in my eyes It takes my breath away

[Chorus]

Everything, baby, comes naturally
