I'm giving in to sin
Tonight
Underneath my skin is
Where you lie
I feel it in my heart it's so right it's so right

Take me
To the stars
I want you to take me
Where you are
I know that you'll never
Be to far
Promise me forever
In your arms

No matter what I do
No matter what I say
No matter where I go
I'll always be with you
No matter what I do
No matter what I say
No matter where I go
I'll always be with you

Where do I begin
Tonight
I wanna let you in to
Where I hide
So follow me inside
It's alright it's alright

Take me
To the stars
I want you to take me
Where you are
I know that you'll never
Be to far
Promise me forever
In your arms

No matter what I do
No matter what I say
No matter where I go
I'll always be with you
No matter what I do
No matter what I say
No matter where I go
I'll always be with you
