I got you on my mind all the time
Ready to take this ride, gotta slide
Come and leave with me

Drive away
Love is only just a ride away
Make you stay
I can see it in your eyes
That you want to take this ride

Jump into my ride now
You don't ever have to worry no more
No more, no more, no more
It's gon be alright now
You don't ever have to worry no more
No more, no more, no, no more

[Chorus: x2]
No more... (x5)
Baby, show me what you got

I want to show you my favourite spots
Make countless memories, sit and watch
Take this ride with me

Drive away
Love is only just a ride away
Make you stay
I can see it in your eyes
That you want to take this ride

Jump into my ride now
You don't ever have to worry no more
No more, no more, no more
It's gon be alright now
You don't ever have to worry no more
No more, no more, no, no more

[Chorus: x2]
No more... (x5)
Baby, show me what you got

Oh my love
I can see all the light in your eyes
Show you love
Are you ready for this ride?

Jump into my ride now
You don't ever have to worry no more
No more, no more, no more
It's gon be alright now
You don't ever have to worry no more
No more, no more, no, no more

[Chorus: x2]
No more... (x5)
Baby, show me what you got
