We're riding down the boulevard  
We're riding through the dark night, night  
With half the tank and empty heart  
Pretending we're in love, but it's never enough, nah  
As the sirens fill the lonely air  
Oh, how did we get here now now now babe  
We see a storm is closing in  
Pretending we ain't scared

[Chorus:]

Don't say a word while we dance with the devil  
You brought a fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on)  
Don't say a word while we dance with the devil  
You brought a fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on)

We're running all the red lights down  
No way that we can stop, nah nah  
A quarter tank and almost gone  
Pretending we're in love, but it's never enough, nah  
I wish we could take it back in time  
Before we crossed the line, now now now, babe  
We see a storm is closing in  
I reach out for your hand

Don't say a word while we dance with the devil  
You brought a fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on) (hold on)  
Don't say a word while we dance with the devil  
You brought a fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on) (hold on)

Oh oh, hold on!

Don't say a word while we dance with the devil  
You brought a fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on) (hold on)  
Don't say a word while we dance with the devil  
You brought a fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on)
