[Intro - Kyla & Wizkid:]

Baby, I like your style

[Verse 1 - Drake:]

Grips on your waist

Front way, back way

You know that I don't play

Streets not safe

But I never run away

Even when I'm away

Oti, oti, there's never much love when we go, oti

I pray to make it back in one piece

I pray, I pray

[Hook - Drake:]

That's why I need a one dance

Got a Hennessy in my hand

One more time 'fore I go

Higher powers taking a hold on me

I need a one dance

Got a Hennessy in my hand

One more time 'fore I go

Higher powers taking a hold on me

[Bridge - Kyla & Wizkid:]

Baby, I like your style

[Verse 2 - Drake:]

Strength and guidance

All that I'm wishing for my friends

Nobody makes it from my ends

I had to bust up the silence

You know you gotta stick by me

Soon as you see the text, reply me

I don't wanna spend time fighting

We've got no time

[Hook - Drake:]

And that's why I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me
I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me

[Break - Wizkid:]

Got a pretty girl and she love me long time
Wine it, wine it, very long time
Oh, yeah, she steady on grindin'
Back up, back up, back up and wine it
Back up, back up and wine it
Back up, back up, back up and wine it
Oh, yeah, she steady on grindin'
Back up, back up and wine it, girl

[Bridge - Kyla & Wizkid:]

Tell me, I need to know, where do you wanna go?
'Cause if you're down, I'll take it slow
Make you lose control
Where, where, where
Where, where, where, where
Oh, yeah, she steady on grindin'
Where, where, where
Back up, back up and wine it, girl
Where, where, where, where
'Cause if you're down
Back up, back up and
'Cause if you're down
Back up, back up and
'Cause if you're down
Back up, back up and

[Hook - Drake:]

I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me
I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me
