Baby, don't you know
Lately, I'm out of control
But I know, you won't let me go
Mhm

You try to get me out you head
but you know it won't work
You try to get me out your bed
but you know it won't work, it won't work
We both know it won't work

[Chorus:]
I'm ah ah out of control
You're ah ah out of control
We're ah ah out of control
Out of control
Out of controool

Baby, can't you see
Maybe, we're just meant to be
Don't care what you do
I'm still drawn to you
Mhm

You try to get me out you head
but you know it won't work
You try to get me out your bed
but you know it won't work, it won't work
We both know it won't work

[Chorus:]
I'm ah ah out of control
You're ah ah out of control
We're ah ah out of control
Out of control
Out of controool

You try to get me out your head
but you know it won't work

[Chorus]
