

Дара Екимова ft. Искрата - Sagarao

текста е наличен благодарение на Tekstove.bg

Baby, even when we fight
I know I'm always on your mind
Let me hear you, say you're mine
I'm gonna make you happy tonight.

[Chorus: x2]

Γκαζι παταω μωρο μου και βριζω,
σε εσενα θελω να γυρισω,
σ'αγαπαω, σ'αγαπαω!

I'm the only one you wanna see
So far away but still so close to me
You're taking away every piece of my soul
I love it, don't stop, don't pretend you don't know
You are invited to my private show
I'm only for you take my body

Fucking up my head, yeah
Messing up my bed, yeah
Don't set my body free, oh
Kiss me in slow motion
Feeling my devotion
No place I'd rather be, oh

Baby, even when we fight
I know I'm always on your mind
Let me hear you, say you're mine
Wanna make you happy (tonight)

[Chorus: x2]

Γκαζι παταω μωρο μου και βριζω,
σε εσενα θελω να γυρισω,
σ'αγαπαω, σ'αγαπαω!

Baby, I love you - Sagarao
Your lips I'm kissing for goodnight, yeah
No tricks, I'm not going to lie to you
Those hips- ooh, you are fire!

Slow, slow, slow when I'm kissin' ya
If you go, go, go I'll be missin' ya
For a long time I've been running from ya
But every road is leading back to you

[Chorus: x2]

Γκαζι παταω μωρο μου και βριζω,
σε εσενα θελω να γυρισω,
σ'αγαπαω, σ'αγαπαω!
