I don't believe you  
Say that you understand  
I won't deceive you  
I know I'll be the better man  
When you give me all your love again  
You lie next to me  
Then you go dancing  
With somebody else

Close my eyes  
And drift off  
Every time you leave me paralyzed  
And you'll try to slip back in again  
Hoping this time you'll stick around

Fooling myself  
I need her  
I wanna be closer  
Fooling around  
Every boy  
Tells me he knows her  
Hitting the ground  
I'm falling  
My bones are breaking  
Here's my heart  
Take it

I don't believe you  
Say that you understand  
I won't deceive you  
I know I'll be the better man  
When you give me all your love again  
You lie next to me  
Then you go dancing  
With somebody else

Self-control  
You take away  
Always so easy to justify  
Thinking you can slip back in again  
Only this time I'm not around

Fooling myself  
I need her  
I wanna be closer  
Fooling around  
Every boy  
Tells me he knows her  
Hitting the ground  
I'm falling  
My bones are breaking  
Here's my heart  
Take it

I don't believe you  
Say that you understand  
I won't deceive you  
I know I'll be the better man  
When you give me all your love again  
You lie next to me  
Then you go dancing  
With somebody else

Digital life  
Bringing me down  
Now I want more  
Let the light shine  
Into your room  
As I walk out the door  
Digital life  
Bringing me down  
Now I want more  
Let the light shine  
Into your room  
As I walk out the door

I don't believe you  
Say that you understand  
I won't deceive you  
I know I'll be the better man  
When you give me all your love again  
You lie next to me  
Then you go dancing  
With somebody else
