Midnight,  
You come and pick me up, no headlights  
A long drive,  
Could end in burning flames or paradise  
Fade into view, oh, it's been a while since I have even heard from you (heard from you)

I should just tell you to leave 'cause I  
Know exactly where it leads but I  
Watch us go 'round and 'round each time

You got that James Dean daydream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down, we come back every time  
'Cause we never go out of style  
We never go out of style

You got that long hair, slicked back, white t-shirt  
And I got that good girl faith and a tight little skirt  
And when we go crashing down, we come back every time  
'Cause we never go out of style  
We never go out of style.

So it goes  
He can't keep his wild eyes on the road  
Takes me home  
Lights are off, he's taking off his coat, hmm, yeah.  
I say, "I heard, oh, that you've been out and about with some other girl, some other girl."

He says, "What you've heard is true but I  
Can't stop thinking about you," and I...  
I said, "I've been there, too, a few times."

'Cause you got that James Dean daydream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down, we come back every time  
'Cause we never go out of style  
We never go out of style

You got that long hair, slicked back, white t-shirt  
And I got that good girl faith and a tight little skirt (tight little skirt)  
And when we go crashing down, we come back every time  
'Cause we never go out of style  
We never go out of style

Take me home  
Just take me home, yeah.  
Just take me home  
(out of style)

You got that James Dean daydream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down, we come back every time  
'Cause we never go out of style  
We never go out of style
