When dey spin up di place we a turn it up Eye red, now you feel so you burn it up And a sit by di kids, we a surf it up We a stick to di peace, now swerving up Too late to dem keep hatin us Can't nothing dem a do, ain't phasin us From the side them been underrating us But the girl that see some great in us

Aye, let's have it lovely like that you see? Love the girl pretty, you can reach underneath Sucka think dem a get to me Dem a get fi greedy with the lovin on it All week we await fi dweet All week we await fi di beat It's weekend now so we can go get it on and move at full speed

Aye baby girl I wanna see you drop it low Up up and down just like a stripper on a pole Girl girl shake it up Too much cone, just drink it up Gyal make it like we a fuck Aye girl just take it low

Take it low, take it low Take it low, take it low Take it low, take it low Take it low

On di area live we a cruise Comin through, steady waitin for a chance I love di gyal dem a blues And I tell dem confuse Lose that man when I'm swerving out the club What di gyal I'mma do Into di club, mash up the club Out of the club, back to the yacht That's how we do, me and di crew My girl, take it all Aye, let's have it lovely like that you see? Love the girl pretty, you can reach underneath Sucka think dem a get to me Dem a get fi greedy with the lovin on it All week we await fi dweet All week we await fi di beat It's weekend now so we can go get it on and move at full speed

Aye baby girl I wanna see you drop it low Up up and down just like a stripper on a pole Girl girl shake it up Too much cone, just drink it up Gyal make it like we a fuck Aye girl just take it low

Take it low

Back so sweet Move yo body at full speed Drop it low, drop it like full speed Go go go at full speed Move yo body at full speed Drop it low, drop it like full speed Move yo body at full speed

Oh oh
