Look, turn me up, break the knob right  
I get dressed like it's prom night  
I feed them lemons in the limelight  
They say I'm full, lost my appetite?!  
(Hell nah) Keep on pushing like a dealer  
(Hell nah) Keep on shooting, Reggie Miller  
(Hell nah) Go and give 'em all the finger  
You gotta set the score right, call it Hans Zimmer  
My time wherever I gooo...  
I took a chance like I'm from Chicagooo...  
100+ in that Murcielagooo...  
Bout to go ape, hey! Turn it to the cangooo...

Baby I got me  
Baby I got me  
And that's all I need  
Yeah that's all I need  
Baby I got me  
Only friends by me  
Playing on my team  
Is someone like...

Me, baby, no way  
Watch me while I do my thing  
Oh, baby, no way  
Are you fucking with the team?

Outchea, pronto  
Hit 'em with the dose, that's a combo  
Running through ya block, no fumble  
Bout to kill 'em all, where the shovel?  
See I gotta go for mine  
Benja-jammin' - that money on my mind  
Jamaican club, I'm stayin' on the grind  
Dutty wine, don't step on this land mine!  
Ven aqui, andele  
You tryna take flight? Do what I say  
100+ volts on the highway  
Watch a new Kardash, call me Kylie

Baby I got me  
Baby I got me  
And that's all I need  
Yeah that's all I need  
Baby I got me  
Only friends by me  
Playing on my team  
Is someone like...

Me, baby, no way  
Watch me while I do my thing  
Oh, baby, no way  
Are you fucking with the team?

Are you workin' with some cash here, cash here?

And that's all I need

Playing on my team  
Is someone like...

Me, baby, no way  
Watch me while I do my thing
