I tried hard to make you want me  
But we're not supposed to be  
And the truth will always haunt me  
Even though you set me free  
And my Tears flow like the oceans  
As they're floating in the breeze  
They were falling in slow motion  
And they brought me to my knees

Ooh, you're haunting me, taunting me, you're all in my brain  
You turn off the light and I wonder the maze  
Fills me with doubt and I'm shouting your name out loud  
Why do you wanna put me through the pain?!  
Now I get the feeling I'll never escape  
I can't hide away from the shade with you

Tears on the ground,  
Tears on my pillow,  
You won't bring me down  
And I'll get over you  
These tears will get me through  
And I'll get over you

I, I, I, I, I'll get over you  
Uuuh uuh yeah  
I, I, I, I, I'll get over you

When did you lose all your emotion?  
When did you become so cruel?  
And if you want to cut me open  
This says a thousand words about you

And in time I know you'll leave me  
Like a distant memory  
I know love can be so easy  
If I start by loving me, oh

You're haunting me, taunting me, you're all in my brain  
You turn off the light and I wonder the maze  
Fills me with doubt and I'm shouting your name out loud  
Why do you wanna put me through the pain?!  
Now I get the feeling I'll never escape  
I can't hide away from the shade with you

Tears on the ground,  
Tears on my pillow,  
You won't bring me down  
And I'll get over you  
(I'll get over you, I'll get over you)  
I'll get over you  
Tears on the ground,  
Rain in my window,  
The pain washes out  
And I'll get over you  
These tears will get me through  
And I'll get over you  
(I'll get over you, I'll get over you)

I, I, I, I, I'll get over you  
Uuuh uuh yeah  
I, I, I, I, I'll get over you

I don't need you to call me tonight  
I don't need you to save from my mind  
You left me, so leave me, I'm fine  
I'll be here, getting along with my life  
Ooh ooh ooh

Tears on the ground,  
Tears on my pillow,  
You won't bring me down  
And I'll get over you  
Rain in my window,  
The pain washes out  
And I'll get over you  
Ooh ooh ooh  
Tears on the ground,  
Rain in my window,  
The pain washes out  
And I'll get over you  
Uuh yeah yeah  
I, I, I, I, I'll get over  
I'll get over you
