

Filatov & Karas - Tell It To My Heart

текста е наличен благодарение на Tekstove.bg

I feel the night explode
When we're together
Emotion overload

In the heat of pleasure
Take me I'm yours
Into your arms
Never let me go
Tonight I really need to know

Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock
Every time you call my name

The passion's so complete
It's never ending
As long as I receive
The message you're sending
Body to body
Soul to soul
Always feel you near
So say the words I long to hear

Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock
Every time you call my name

Love, love on the run
Breakin' us down
Though we keep holdin' on
I don't want to lose
No, I can't let you go

Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock
Every time you call my name
