I like your body
When it's time to lose my mind, my mind
And everybody
Thinks that I'm so crazy now, now

Cuz I want it all
Takin' back, leavin' that
And I am so crazy
Leavin'back, slow it down
Gettin' right
I can get that now... (x3)

Now, I can get it now (x2)

Yo se muy bien lo que siento
Ojala paremos el tiempo
Esto es nuestro momento
Jugemos con fuego

Cuz I like your body
When it's time to lose my mind, my mind

Cuz I want it all
Takin' back, leavin' that
And I am so crazy
Leavin'back, slow it down
Gettin' right
I can get that now... (x3)

Now, I can get it now (x2)

Cuz you've taken me high
I couldn't find that I want you
And you taken me like
I couldn't breathe that I warn you

Everybody ask for me
I can't never slowly breathe
But I ...

Cuz I want it all
Takin' back, leavin' that
And I am so crazy
Leavin'back, slow it down
Gettin' right
I can get that now... (x3)

Now, I can get it now (x2)
