I'm lying in this hotel  
Cuddling up to the body pillow  
I'm trying not to call you  
Cause I don't want to miss you no more, oh

Every now and then I get a little lonely  
I can hold myself but no it's not the same thing  
Need to feel the pressure somewhere on my body, on my body, oh

Cause sometimes  
All I wanna do is be touched  
All I wanna do is be loved  
All I wanna do is be touched  
So touch me  
So touch me  
So touch me

I can't get to sleep  
Damn oh damn I'm trying now  
Oh, I put on the TV right here  
Maybe it'll calm me down

Every now and then I get a little lonely  
I can hold myself but no it's not the same thing  
Need to feel the pressure somewhere on my body, on my body, oh

Cause sometimes  
All I wanna do is be touched  
All I wanna do is be loved  
All I wanna do is be touched  
So touch me  
So touch me  
So touch me

All I want, all I want, all I want to do is be touched by you  
If you want, If you want, if you want it too tell me the truth  
All I want, all I want, all I want to do is be touched by you  
And if you want it too just touch me

Cause sometimes  
All I wanna do is be touched  
All I wanna do is be loved  
All I wanna do is be touched  
(Oh, so touch me)  
Cause sometimes  
All I wanna do is be touched  
All I wanna do is be loved  
All I wanna do is be touched  
(So touch me)  
So touch me

Oh come closer baby  
Oh come closer baby  
Oh, come closer baby  
So touch me
